

COBS Bread Certified as a Great Place to Work®

For Release: October 12, 2018 - COBS Bread is proud to announce that we have been certified as a Great Place to Work® after a thorough and independent analysis conducted by Great Place to Work® Institute Canada. This certification is based on direct feedback from employees, provided as part of an extensive and anonymous survey about the workplace experience.

COBS Bread is dedicated to empowering and developing team members to create their own career path. Bakeries offer flexible retail and baking positions with opportunities to cross-train and expand their skillsets. Complimentary product at the end of every shift is also very motivational!

“A positive workplace culture at both our bakeries and support office is very important to us,” says Aaron Gillespie, President of COBS Bread. “We are very excited to be recognized by our own employees as a Great Place to Work®.”
